## Sponge kumite:

The contestants put a vest (red/blue) onto their karate gi. They pick up 2-2 sponge cubes each in their hands which contains hook-and-loop fasteners. They have to do chudan techniques on the opponent (even on their back) in a way that the cube should stay on the vest. Are above the shoulder or below the belt are non valid areas. Covering the hit area, throwing the cube deliberately, running away from encounter and the deliberate removal of stuck cubes are punishable (C2).

Point is given when the cube is placed on the opponents vest using a karate technique (not thrown) and it stays on the vest. Only hand techniques are usable and sweeping techniques are forbidden. The first contestant to get 8 points difference or has more points at the end of the match wins. If possible in 4 contestant groups everyone gets a medal, with at least 2 matches, mirror judging, 1 minute match time, last 15 seconds of clear time, in case of both contestants have the same amount of points the SENSHU (WKF) decides (first awarded point in match), in case of tie ENCHO SEN (until first score) without time limit.

Required protection: none. We provide the vest and the sponge cubes.
